13. Qualification granting access to this Bachelor's degree	9
14. Specialization of the qualification granting access to this Bachelor's degree.....	10
15. Type of institution where you pursued the qualification granting access to this Bachelor's degree	11
16. Municipality of the school/institution where the final year of the access studies was completed.....	11
17. Country where the final year of the qualifying degree was completed	12

0. Important Information – Statistical Data

The completion of statistical data is required in order to access your enrollment process, which can be completed in either English or Spanish.

Please note that the current version of the online application does not display the statistical fields in English. We apologize for the inconvenience.

This document contains the translated version of those fields to support you in filling them out correctly.

Please note that the English translation of the possible answers is shown in the same order as they were recorded in Spanish.
